Ambarvale High School was buzzing with sights, sounds and tastes from around the world on Friday 7 November as we celebrated Multicultural Day.

• Our students and staff represent nearly every country in the world, so Multicultural Day is an important occasion for celebrating the harmony and diversity that exists at Ambarvale High School.

• A concert in the school hall welcomed performers from different cultures, as well as showing off some home-grown Ambarvale talent. From dazzling Bollywood divas to fearsome warriors performing the Haka, we were treated to a world of music and dance from across the globe.

• The festivities and fun continued at lunchtime with tasty treats from around the world, and a red carpet fashion parade of dashing national costumes.

• The day also raised over $1200 for our sister school in Laos, through the charity Helping Hands. Well done Ambarvale!

CAPA Exhibit Impresses Again!

On Wednesday 26 November the CAPA faculty held their annual exhibition.

The hall was full of high quality artworks created by students from all years.

Music students from years 10, 11 and 12 performed songs prepared in elective classes.

Thank you to all our wonderful CAPA teachers for their hard work guiding the students with their artworks.

Thank you to Ms Sutton for organising a return performance from Year 12.
On Monday 24 November a group of our ATSI students went on a surfing excursion with Campbelltown Police and the Cronulla Surf Academy. We were lucky with the weather and had lots of sun and warm water. Nearly everyone managed to get up and surf a wave into the beach. The general request was ‘More of these types of excursions please, we loved it!’

Lately we have been doing some fun Chemistry experiments. The latest is the Iodine Clock Reaction. Iodine is added to a starch solution and amazingly, the whole solution turns black. What is happening? Starch is a sugar that is found in plants. When iodine comes into contact with starch it turns black.

Year 9 Science Girls class - We had some fun today doing an experiment and the girls wore our Ambarvale High School lab coats. Looking very swag (nerdy).

May we have some more?

This year 30 of our support students enjoyed testing their limits at Wedderburn Camp. Students experienced rock climbing, the flying fox, wrestling each other on the aqua pole and for a few brave (and not so brave) people, a go on the giant swing.

A big thank you to teachers, parents and students who helped to raise funds or provide assistance to allow our support students to participate in such a worthwhile adventure.

Science Club Update

Lately we have been doing some fun Chemistry experiments. The latest is the Iodine Clock Reaction. Iodine is added to a starch solution and amazingly, the whole solution turns black. What is happening? Starch is a sugar that is found in plants. When iodine comes into contact with starch it turns black.

Support Camp

This year 30 of our support students enjoyed testing their limits at Wedderburn Camp. Students experienced rock climbing, the flying fox, wrestling each other on the aqua pole and for a few brave (and not so brave) people, a go on the giant swing.

A big thank you to teachers, parents and students who helped to raise funds or provide assistance to allow our support students to participate in such a worthwhile adventure.

Movember

Did you know one million Australian men live with depression or anxiety?

This Movember, some Ambarvale High School staff have been committing their upper lip to help change the face of men’s health by growing a moustache.

It’s not too late! You can help by donating online at http://au.movember.com/team/1822009

Thanks for your support to the cause. Together we can change the face of men’s health.

End of Year Ceremonies!

Tuesday 9 December
☞ Ambassador and Ruby/Diamond Ceremony

Wednesday 10 December
☞ Years 7 and 8 Academic Ceremony

Thursday 11 December
☞ Years 9, 10 and 11 Academic Ceremony

Friday 12 December
☞ Sports Presentation Ceremony

and...

a reminder that all students must be in full school uniform including black shoes with black laces or they will not be able to take part in the ceremony.
