The intention of the learning conferences is to provide quality feedback to students and carers regarding their learning.

During the interview students are encouraged to take responsibility for their learning and set some realistic goals for the future. The feedback around these learning conferences has been really positive and we thank all parents for embracing the opportunity to share this with their child.

If you were not able to attend the learning conferences this year, please note, your child will have had an interview with a teacher and set learning goals. Look out for a copy of these learning goals in the mail.

Please don’t hesitate to contact one of our Learning Advisors, Ms Natasha Milanovic and Ms Karen Murphy in the library if you have any questions or concerns.

SSW carnival kids off to State!

Our fabulous Sydney South West carnival participants that were successful in their events and now will be Representing Sydney South West at the New South Wales state carnival.

This is an impressive achievement by these boys and we wish them all the best at the state carnival on 4th, 5th, & 6th of September.

Beau Lidbury (U/12) 1st 200m & 3rd 100m
Joshua Sanerivi (U/13) 1st Long Jump, 2nd High Jump, 3rd Shot Put
Henry Lealuga-Puhotau (U/14) 1st Shot Put
Joshua Wilkins, Bailey Croudace, Jason Kongpanrach & Ben Baxter (U/14) 2nd 4 x 100 relay team.
Vegie Gardeners Extraordinaire

A long term plan of the AHS HSIE Faculty and the School Eco Group has been to supply freshly grown food in our school canteen.

This year we have achieved this goal and are providing fresh lettuce for salads that has been grown in the HSIE veggie patch.

An exciting and nutritious addition to the school canteen menu - get it while it lasts!

Subject Selection

Year 8 and 10 students have engaged in some activities to support the decisions they need to make regarding elective and subject choices for 2015.

Year 8 participated in "taster" lessons where engaged in mini-lessons for each of the electives being offered in 2015, so that they could experience what studying that subject would be like.

Year 10 students participated in Careers lessons with Ms Ellem and were also given the opportunity to an interview with an experienced teacher around their study/HSC pathway choices for 2015. Many parents attended their child’s interview.

The subject selection night was held on Tuesday 5 August to provide additional information for parents and students.

The subject selection forms are due back to Mrs Perry by 16 August.

The most important dates coming up:

18 August - ZooSnooz for Science Club members - Overnight Camp at Taronga
August 22- Yr 7 - 10 - Questacon Science Circus
September 5 - Yr 12 Chem & Biology and Yr 9 and 10 Science - Excursion to the CSIRO
8-17 September (Wks 9 and 10) - Year 11 exams
18 September (Thursday Wk 10) - Year 12 Graduation

An Ambar App?

Skoolbag is a mobile app that we can use to communicate directly with you via your iphone. It provides key school information easily and you can use it to communicate with us. Download it for free from the App Store under Ambarvale High School.
