New School Leaders

On Thursday 4 September 2014 many of the teachers had the pleasure of joining the senior leadership team and their parents at Campbelltown Arts Centre for a lovely afternoon tea and the announcement of the leadership positions for 2015. It was fantastic to spend time with the students and families celebrating their achievement.

Congratulations to the following students who will be our student leaders and school representatives for 2015 (Pictured from top to bottom of the the Ambargram)

Captains - Karen Chanakira, Hendrik Neloe
Vice Captain - Kristen Gallaway, Brent Curtis
Prefects - Lily Magon, Marina Sawiris, Jessica Cowley, Jag Nguyen

Science Week!

National Science Week was celebrated from 18-22 August 2014. At our school we celebrated by attending some very cool events.

- The Science Club students went to the ZooSnooz at Taronga Zoo.
- Students from all grades watched the Science Circus presented by Questacon.
- The senior students engaged in DNA extractions presented by CSIRO.
Ambarcup lost to Limbo Genius

Last week the Ambarcup was won by the students of Ambarvale for the first time in three years. The departing Year 12 students chose Limbo as the competition activity, without mentioning that they had an Olympic quality competitor on their side.

Jasmine Reimers was their secret weapon. Who knew we had a girl who could bend backwards at 90˚ from the knee and still walk.

Congratulations Jasmine and the whole of Year 12!

Mathletics Stars!

Congratulations to the following students who are our top three Mathletics achievers with over 18000 activity points earned so far this year!

Skoolbag, our mobile app, is now available on Android. Keep up to date with all that is happening at school. Download the app from the Playstore - search for Ambarvale High and click on the Skoolbag app.

The most important date coming up:

18 September 2014 – Year 12 Graduation Ceremony from 5pm in the school hall.

Farewell to our Year 12 students. We will miss you. And we wish you the very best of luck in all of your HSC exams.
