The world in our library

Aboriginal students from Rosemeadow and Thomas Acres Public Schools joined their Ambarvale High School mentors to savour the delights of our World Café and to join in serious discussions about culture, community and pride.

The Café was the first initiative in launching our Aboriginal middle school project. Linking primary students to high school mentors, creating a lovely sense of community and connectiveness between the schools, as well as fostering leadership skills in students engaging in the program.

A big thank you to our hospitality students who supplied the hot chocolate and scrumptious treats.

Cross Country – School and Region

Age Champions  12s Cassandra Heaslip and Adrian Durmaz, 13s Deharrna Coleman and Aaron Houghton, 14s Tasha Hudson and Joziah Dennis, 15s Jaclyn Hampson and Joshua Wilkins, 16s Leigh Hanslow and Abdullah Al Taay, 17s Monique Lawler and Ryan Binskin and 18s Jess Cowley and Jamie Heathcote-Heller.

Congratulations to all those who competed in Region after our carnival. Especially to Orestis Giannakis and Joziah Dennis who are going to compete for Sydney South West at State.
Year 8 Inquisitive Minds

Year 8 Inquisitive Minds Students worked in teams to learn various mathematical problem solving techniques in a fun and competitive way.

The first session involved the students learning various techniques such as looking for a pattern and drawing a diagram.

Students then had one hour to work in their teams to practise the skills by answering challenge questions. Each question had a number of points allocated to it and senior students helped mark each teams’ work.

The team with the highest score at the end won a block of chocolate for each member.

Footy Fever!

On Monday 15 June 2015, we were fortunate enough to have two Australian Women representatives come to Ambarvale High School to run a Rugby 7s coaching clinic with our students.

Nicole Beck and Emma Tonnegato play Rugby 7s for Australia and have recently qualified for the Rio Olympics in 2016.

The women coordinated a session for the girls and one for the boys, running drills with the boys around the ruck area, teaching skills for clearing the ball and coached the girls on their tackle technique.

Boys and girls participated in these drills in the hope of being selected in the school team to compete in the Naidoc Cup, to play against other schools in Parramatta in Term 3. The tournament is a celebration for Naidoc Week and teams will consist of Indigenous and Non-Indigenous students.

Best of luck to all our students for their selection and participation at the tournament.
